THE PERSON BEHIND THE WORK

Curious by nature.

Creative by practice.

I am Nkenglefac Nquizi Junior, a graphic and brand designer based in Yaoundé, Cameroon. I enjoy transforming ideas into visual communication that feels considered, purposeful and engaging.

My work includes visual identity development, social media communication, promotional campaigns and print design. I care about the details — from the first concept to the way a design works across different applications.

I’m interested in collaborating with businesses, institutions and individuals who value thoughtful design and clear communication.
